“I was thrilled that after the coaching sessions, not only did my presentation styles were brought up a notch, but I also won the Top Prize in that annual competition!

What I appreciated most from Hazriq was his professionalism and his acumen in the presentation and public speaking field. He's a no-nonsense coach with a high threshold of patience (with my antics!) yet firm in his delivery to meet, and exceeded, the desired outcome.”

“...And so the time came and I found myself delivering my simple message in a calm and natural way. I grabbed that mic and I started talking! I thought I was going to get very nervous, but I didn't!.... And for that, I have to Thank You Hazriq. I have no doubt that when the time comes, I'll be seeking your assistance again.”

Maitte Cruz,
Counsellor, Hwa Chong School

“I found Hazriq's techniques on improving my presentation skills extremely valuable. I was able to take a whole new approach to a keynote lecture I was asked to give at a conference. Even though I had presented many times before and thought that I was a skilled presenter, Hazriq was able to introduce me to more creative ways to present. ”
